

Mission support

The doctoral school MIIS helps laboratories to assist PhD students for their training and career-related missions. Any request related to a trip in France or abroad will be examined by the governance of the ED MIIS. However, requests motivated by your professional project will be given priority. Please note that when a grant is obtained you commit yourself to carry out the mission.

Support provided : ★ Trip to Normandie: 50 euros ★ Trip to France: 200 euros ★ Trip to Europe: 400 euros ★ Trip outside Europe: 800 euros
